

Prophecy from Sunday, January 22, 2023

Given by Nancy Campbell

Be encouraged, sons and daughters, be encouraged this day for strongholds are coming down.

I told you at the beginning of the year this is My season that I was going to shine My glory down, that I was going to show up! I tell you today, I've shown Up! I've shown up and I am going to show up even more!

Strongholds are being broken; people are being set free. I tell you it is the time of the harvest. Not later, not yesterday, Now is the time of the harvest because My glory is being poured out.

It is important that you move forward. Go after those people that I'm calling in. They are ready. I tell you, they are ready! You won't even have to do anything. Just show up!

My glory has come down to the earth. I said I was coming to the earth. I am here, says the Spirit of God. My glory is here. All you have to do is speak a word and I will show up. It's that season!

So be encouraged. People are being set free. The captives are being set free and they need a place to go. Bring them in!

Reap the harvest! The time is now! Reap it, says the Spirit of God!
