

Given by Nancy Campbell

I believe the spirit of the Lord would speak and say,

“Tread lightly in this season, sons and daughters; for truly as you know it is a season of intense spiritual warfare so you need to tread lightly, walk softly.

Know who you are. You are my sons and daughters; sons and daughters of the King of Kings and Lord of Lords! Walk in My light, exhibit My behavior. Lay down any idols you may have; any areas of bad behavior; lay it down at My altar for I desire you to walk in love for there are many I am drawing into My kingdom at this time and they need My love. They need you to exhibit the love of God.

Be careful what you speak in this season. Tread lightly. It is not a season to hastily move anywhere. Do not move unless I am telling you to move. This is for your protection, sons and daughters. If you are hearing from Me, getting counsel about what you’re supposed to be doing, then do it! But do not move; don’t even take a step unless it is Me speaking to you!

Again, I say, tread lightly. Walk in love and embrace those coming into My kingdom. Exhibit the love of God that they would know the difference between you and those in the world. They need to know the difference. They need to see My light shine through you.
