

## PROPHECY FROM JANUARY 9, 2022

Given by Nancy Campbell

A vision the Lord showed me that goes along with this word:

I was down at my son's house a few weeks ago and had a revelation during the night and I was very distressed in my spirit. I kept feeling like I was being silenced and I was thinking I don't want to be silenced. And then, I thought well I can just be quiet and not say anything. Then the Lord spoke to me and said, no, I don't want you to draw back. You need to speak and if somebody is standing and resisting you, you need to speak.

Then I saw this door cracked open and I thought what is that, Lord? It wasn't really far, but just enough so a person could walk through it and I felt like this is the Lord opening up the doors in the spirit.

So, I believe the spirit of the Lord would speak and say: even as I told you sons and daughters that the tide is turning, it has turned and that open door that is put before you, it is Me opening the door for you. The reason the door is only open a little bit is because there is much resistance in this season. But, the spirit of the Lord would say, don't give up because My tide is turning and this is going to be a year of great increase, says the spirit of God.

It's very important that you follow My Spirit. I have given you My spirit. When my son left, He gave you My Spirit, the Holy Spirit, to lead and guide you into all truth. You must be led by My spirit this year, sons and daughters. Do not step into your flesh and be led by your flesh. Don't think you can figure things out. You can't figure anything out, especially now, just know that you know nothing. As soon as you accept that and lean into Me and lean into

My presence, I will open doors and you will walk through that door and you will destroy the works of darkness in My name and many will come to Me. For the tide has turned, says the spirit of the Lord,

Do not look at what all the media and everyone who is saying this and that and all the destruction that is coming. Those are lies of the enemy, says the spirit of God, that is not Me. Do not listen to it! Do not give heed to it! And if there are those speaking that, correct them and say, no, this is what the Word of God says.

It is a time to speak out. It is a time to speak! Do not draw back! You are my sons and daughters, you are my army! Go forth, says the spirit of God. You are my church and you are able, you do not think you are able, you are able. Just lean into My presence. Take back the darkness, says the spirit of God. Don't agree with it, confront it and it will flee! It is a year of redemption. It is a year of My tide coming and turning the darkness over. All the chaos you saw over the last couple of years is going to be dispelled by the glorious light of Me, says the spirit of God.

Don't get impatient, take hold of My spirit, and don't be led by your own thoughts, your own emotions. Seek Me and do not draw back. Lean into My presence, I have given you My Holy Spirit. Ask of My spirit, just ask and He will lead and guide you. Just ask, says the spirit of God. Don't think you now something, again, I say, you know nothing. Accept that. You now Me; that's what you know says the spirit of God. As you lean into My presence, the other things will be dispelled, all the things you are struggling with right now will be dispelled and My light will shine and you will know exactly what you are supposed to do and as you step into that My glorious presence will be all around you and many will come to know me,

Says the spirit of God.
