

**PROPHECY GIVEN ON JUNE 28, 2020 BY NANCY CAMPBELL**

**Yes, I am holy, and yes, I win, says the spirit of the Lord! Do not doubt this!**

**There are skirmishes happening now across the earth because of the pandemic, the riots and everything that is going on.**

**Do not let your eyes be taken down by this, but look up for I am Your God, the only Savior there is upon the face of the earth and everyone will know this.**

**Every knee shall bow at My Name, and every tongue shall confess that I am Lord because there is no other God than Me.**

**Yes, I am Holy and I will have My way!**

**Do not doubt! These are skirmishes; again I say, these are skirmishes. My time is not yet and I will have My Way!**

**The enemy is trying to defeat and bring things to a time that is not My timing, says the spirit of the Lord. My time is not yet.**

**Skirmishes, sons and daughters, skirmishes! Know who you are, where you stand, and what you are to be doing and stand firm for I will have My way!**
