

Prophecy from 12/18/2022

given by Nancy Campbell

I believe the spirit of the Lord would speak and say, “during this season that we are in, sons and daughters, you need to walk carefully with Me. It is very important that you do not allow yourselves to become entangled in the affairs of this world.

For right now the enemy is stirring things up and trying to draw those who believe into his kingdom and the way he is doing this is by blurring the lines. There is a blurring of the lines that is occurring, even in the body of Christ. It is important, sons and daughters, that you stand strong; that you do not compromise in any area of your life.

I would say to you, examine yourselves today. Are you compromising? Is there an area where you’ve maybe stepped a little over the line? You say, but I’m still saved, God. Yes, that’s true but you need to be full of My light; reaching out to the world and being an example. There has never been a time such as there is today to be an example to let your light shine.

Do not allow the enemy to cause you to walk into areas that are not from Me. To go down rabbit trails that will lead into areas that you are not supposed to walk in. You might say, it’s okay, I’m just doing a little. No, it’s not okay, says the Lord, your God!

I am the God who sees all and that little thing that you do, I see it and it is not pleasing to Me.

So, I would say to you, in this season, this time when you celebrate the birth of My son, be holy! I tell you, be holy as I am holy! That is My Word!

Do not compromise! And if you have compromised, repent today, and I will forgive you. You need to be washed in the blood of the Lamb; to be white as snow, so that I can draw those who are unclean into My kingdom; those who are rightful heirs of salvation that are waiting to see what you’re going to do.

I say, again, do not compromise! Do not compromise for the sake of joy. Oh, it’s the season, I’ll just be merry, I’ll just do this or I’ll just do that. No, says the spirit of God, that is the enemy taunting you; trying to lead you down a rabbit trail so that your vision is blurred and your light is dim.

Do not allow this. This is a warning, says the spirit of God. I am telling you this is what is happening right now. Do not be drawn into it!
