

PROPHECY GIVEN BY NANCY CAMPBELL ON JULY 3, 2022

I believe the spirit of the Lord would speak and say, 'Yes, giants are falling, and you see it , and more giants will fall. I am raising up my army, right now, says the spirit of God.

Do not be afraid to step into what I have for you, sons and daughters. For as people are displaced and principalities are displaced, I will need you to step in; you to step in and declare the righteousness of My throne and to proclaim Me to the world , to show them there is another way. The way of the world is not the way and as you proclaim Me, principalities and powers are broken, and the glory of God is going to be displayed across the face of the earth.

You are My people, you are the ones that are going to declare it! Positions are being laid out right now.

Positions in the kingdom of God; in My kingdom.

I say, step into it, fear not! Step into it. Let go of the little things that are holding you back. Do no let the little foxes tear away your vine so that you do not reap the fruit I have for you.

For I have called you into positions of authority. You are meant to rule and reign here on the earth.

This is your time. This is it, sons and daughters, step into it. Let go of any little distractions that are holding you back. Know that I have called you for such a time as this!
