

# Prophetic word from October 22, 2023

Given by Nancy Campbell

While we were worshipping, I felt like the Lord spoke to me and he showed me this picture. I felt like the Lord was shaking out the nations like a rug, I saw this rug rolled up and He was shaking us out like when you shake the dust out of rugs in your house and the nations were just rocking and rolling up and down.

I believe the spirit of the Lord would speak and say, 'Sons and daughters do not be moved by what is happening right now. You need to focus. Focus, focus, focus on Me. Narrow your vision, bring in your vision. Narrow your thoughts. Whatever you're doing, narrow your vision and hear from Me.

It is very important that you hear from Me in this season. For, even as I am shaking the world, shaking the nations like a rug, there is a spirit of division that is also at work during this time and you need to be careful that you do not get caught up in it. If you do not understand what I am talking about, ask Me and I will tell you.

Do not inquire of those that are putting out propaganda. That will only bring confusion into your midst, says the spirit of God. But know that this is Me shaking the world, shaking the nations. I will shake out the evil and it will be exposed, says the spirit of God.

You cannot be caught up in all the things that are going on right now. The troubles and the heartbreaking things. Yes, allow your heart to be broken and pray fervently for what is going on for this is pure evil, says the spirit of God. And as I spoke to you in My Word, you must abhor evil. You must hate the evil, not the people, but the evil. Hate the evil, and embrace Me.

Again, I say focus, focus! Hang on to Me. I am shaking the nations, I am shaking the earth. Be careful that you are not shaken loose.

So, again, bring in your vision, narrow your eyes so that your looking at Me, do not do anything unless you are hearing clearly from Me. Do not be shaken loose from what I have called you to do.
