

## PROPHECY FROM 5/9/21

By Nancy Campbell

Yes I am here, my sons and daughters, I am here. As you yield to Me, this day, I will meet you right where you are; whatever your need is; what ever is going on in your life; for there is nothing too big for Me, says the spirit of God.

For I reside in this place and I am about to break out here in a mighty way, says the Spirit of God. The lost will be coming in here in droves because My Spirit abides here and I delight to dwell in this place because you have allowed My spirit to move. My Holy Spirit is not allowed to move everywhere but here I am allowed to move. I am going to do mighty works here and miracles will come forth from here.

As you yield to Me this day, because I am here, says the spirit of God, I will touch you and and I will heal you and I will move you forward into the place I have for you for this is My house. I have established this house here in the valley for My plans and purposes, says the Lord and they will not be denied, for I abide here and I will move here.

The foundation is now being laid for the next move of the spirit here and as you yield to me and give yourself to Me you will be a part of that and I will raise you up to do mighty things, says the spirit of God.

I am not done here! It has only just begun!
